Tek Panel ALL-IN-ONE Integrated High Perfomance Computer and LCD

Defining Convergence

Touch Screen Systems Available on All Models

High Definition Brilliance With High Performance PC

Digital Convergence has arrived. The Tek Panel All-In-One integrated LCD computers are the most elegant union of computing power and high definition display brilliance.

The Tek Panel brings it all together in one sleek and efficient design.

The Best of Both Worlds

Tek Panels feature high-end PC components coupled with the highest quality wide-screen TFT/LCD displays (19" to 57" diagonal) available, engineered all in one integrated system, allowing you to do it all with unprecedented computing power and display brilliance.
